The new AVIVA 40 single filter half mask is the next step forward in half mask technology from Scott Safety. Innovative design elements such as a hybrid reflex face seal, an easy-to-use leak check mechanism and goggle ‘pinch’ have been integrated into the AVIVA 40 half mask, with user comfort and protection in mind. AVIVA 40 is suitable for a variety of applications including paint spraying, chemicals and manufacturing, utilising the Pro2000 range of filters. Please see technical data for precise filter approvals.

**PRODUCT HIGHLIGHTS**

- Single filter half mask utilising the Pro2000 range of filters
- Reflex seal absorbs facial movements, maintaining protection
- Easy to use leak check mechanism
- Goggle pinch - designed for improved eye PPE integration
- Enhanced voice intelligibility
- Comfortable, durable head cradle suitable for use underneath headwear
- READY-PAK option for clean storage and easy transportation
AVIVA 40

SINGLE FILTER HALF MASK

Comfortable cradle-style head harness

Simple rear fastening for easy donning & doffing

Goggle pinch - allows better integration with eyewear

Integrated voice panel, for enhanced voice intelligibility

Downward facing exhale valve avoids misting to eyewear

Compatible with Pro2000 range of filters

Positive fit check button - when pressed during exhaling, the mask inflates slightly showing a good fit has been achieved

Unique hybrid reflex seal, flexes on the face for increased comfort and fit
